- Projects don't have to be in a finished state by 5 June – as long as you're reasonably sure it's presentable by Aug 4
- Spread the word – invite your friends to participate as a Maker and to attend the Faire
- (leave us a business card and we'll send posters and stickers to you. We'll also put these slides on our website)
- Feel free to use our Facebook page to network, collaborate and exchange tips on projects!
